The pick-up of passengers will be made as near as possible to the students' residence. Buses serve only general areas and do not stop at the house of each student. Pick-up and drop-off points are assigned due to many factors including: narrow/dead-end roads, availability of places to turn the bus around and traffic congestion. Large buses will not enter small lanes.

Services to major hotels are available.

All costs shown above are in Malaysian Ringgit. The cost per location is calculated by taking the shortest feasible route with the optimum pay load from the pick up to the school (discharge point).

The semester fees are payable in advance. The fees shall be payable at the same time as regular school tuition.

Activity bus runs are available at **4:30 p.m. and 6:00 p.m.** for users of the regular bus service only. Students who are not registered bus riders cannot avail themselves of the activity bus service.
